Welcome Mr. Bernard F. Roderick

The Class of 1991 was very fortunate to experience the selection of a new superintendent of schools when Mr. Bernard F. Roderick was appointed to this position just before the beginning of our senior year.

Mr. Roderick is well known in Fairhaven, having worked for the Fairhaven Public School System for the last 24 years. He began his career in 1968 as a Social Studies, Civics and Science teacher at the Hastings Middle School. In 1971 he became the Vice Principal at Hastings. The Class of 1991 remembers him best as the Principal of the East Fairhaven School, where he was from 1975 until his appointment in July, 1990.

We would like to welcome Mr. Roderick and wish him much success in achieving the greatest potential possible for the Fairhaven School System.

Principal's Address

To the Class of 1991:

Your years at F.H.S. are ending in a period marked by enormous geopolitical change and considerable state and local turmoil. Your skills, your intelligence and your courage will be needed to make your world a better one in which to live.

We hope your accomplishments at F.H.S. are but a prelude to even greater accomplishments in the years to come.

Congratulations to you all and best wishes for a life rich in health, friends and personal fulfillment.

Sincerely,

John Newburn

In Memory of . . .

Jody William St. Jean

July 26, 1973-
October 28, 1984

This page is dedicated to the memory of Jody St. Jean, who attended East Fairhaven School and would have graduated with the Class of 1991.

It is also a reminder that life is extremely precious and should be lived to the fullest extent.

When you are a child
Your life's so carefree.
There's no worries at all,
The real world you don't see.

You are always so cheerful,
There is never a frown.
You take so much joy,
At the sight of a clown.

If only we always could stay just like this,
There would never be sadness, but always sunshine and bliss.

— C. Wolff

In Memory of . . .

*William Arthur
Hokanson, Jr.*

August 16, 1970-
March 25, 1990

Although Billy was not a member of the Fairhaven High School graduating class of 1991, he was a part of Fairhaven and a part of our lives. This page is in memory of him, and in memory of how extremely dear he was to all of us.

"I'll lend to you a little while a child of mine," He said.
For you to love, while he lives, and mourn when he is dead.

It may be six or seven years or twenty-two or three.
But will you, til I call him home, take care of him for me?

He'll bring you charms to gladden you, and shall his stay be brief.
You'll have his lovely memories as solace for your grief.

I cannot promise he will stay as all from earth return.
But there are lessons taught down there I want this child to learn.

I've looked the whole world over in my search for teachers true.
And from the throngs that crowd life's lanes I have selected you.

Now you give him all your love nor think the labor vain.
Nor hate me when I come to call to take him back again.

I fancied that I heard them say, "Dear Lord Thy Will Be Done."
For all the joy this child shall bring, the risk of grief we'll run.

We'll shower him with tenderness and love him while we may.
And for the happiness we've known forever grateful stay.

And should the Angels call for him much sooner than we planned.
We'll bear the bitter grief that comes and try to understand.

— Edgar Guest

That's What Friends Are For . . .

Keep smiling, keep shining,
Knowing you can always count on me
For sure.
That's what friends are for.

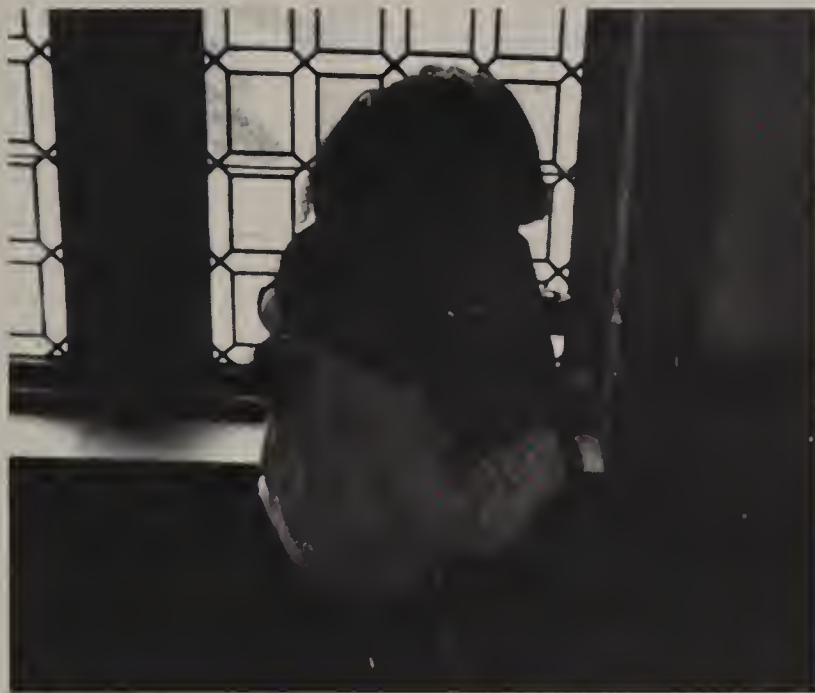

For good times and bad times.
I'll be on your side
Forever more.
That's what friends are for.

When an author writes a book, he/she dedicates it to the person or persons who have helped them the most while writing the book. We, as Seniors, are not only the characters of this book but also the authors. So why don't we dedicate this book to those people who have done the most for us during our four years at F.H.S. — our friends.

Think back and remember all the little things: lending homework papers; laughing at each other's jokes; cramming for tests; and just helping each other out. What about all those times when we sat together quietly and talked — about ourselves, our future, our lives? We've shared so much — our confidence, our trust, our hopes, our thoughts, our feelings, and our dreams — we've shared ourselves. We've helped each other to learn and to grow. We've helped each other to reach the last chapter of this book together. So, we as authors of our book, dedicate this part of our lives to ourselves — to our friends — to each other.

A Definition of Friendship

“Friendship is the comfort,
The inexpressible comfort of feeling safe with a person
Having neither to weigh thoughts nor measure words,
But pouring all right out just as they are,
Chaff and grain together,
Certain that a faithful friendly hand
Will take and sift them,
Keep what is worth keeping and
With a breath of comfort, blow the rest away.”

Friends are very important in life,
Although we often forget.
But they are still by our side,
Reliable and true.
You tell them all your feelings,
You know they'll understand.
The reasons for the things you say
and do,
Friends are forever true.

History

As seniors, we have spent nearly four years in the "Castle on the Hill," one of the most unique high school buildings in the United States. We have gained an education amid paneled walls in the fortress-like structure. What we have lost in modern-day convenience we have gained in an inspiration of our spirits. Fairhaven High School was donated through the generosity of Henry Huttleston Rogers in recognition of the fine education he received in the Fairhaven Public School system.

Henry Huttleston Rogers was born on January 29, 1840, to the parents of Rowland and Mary Elderidge Rogers. Henry was a member of the original class of the first Fairhaven High School (Fairhaven Academy), which was opened in 1852. After he graduated in 1856, Henry entered the oil industry, where he became an immensely rich man by the age of 32. In 1885, Henry provided Fairhaven with a well-equipped grade school. That was the first of a long series of public benefactions to Fairhaven, all bestowed during his lifetime. He paved Fairhaven streets, gave the town its water system, a masonic lodge building, a grammar school (1885), a public library (1893) named for his daughter Millicent, the Town Hall (1894), the Unitarian Church (1904), and the most memorable to us, a high school building (1906).

Fairhaven High School is a beautiful Elizabethan structure that is located on the northeast corner of Huttleston Avenue and Main Street. This boldly-designed edifice contains 67 rooms. The entrance halls and corridors that connect them are tiled with blocks of marble. Perhaps one of the greatest marvels of F.H.S. is Room 7 (107M). This is the largest classroom and occupies the entire south front of the building between the entrance halls. It traditionally has been used as a senior homeroom, study hall, and, what many students quickly learn — the aftersession room. This great room

has a ceiling in which medallions and ovals with cherubs are executed, displaying the exquisite beauty of the Elizabethian Renaissance. Large drops for lights have cherubs blowing trumpets surrounding the bases. Room 7 is undeniably one of the most beautiful and interesting rooms in F.H.S.

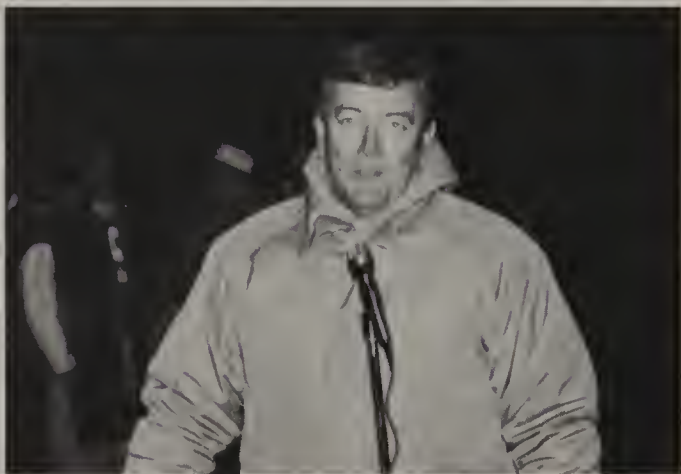

Another significant beauty of the school is the multiple stained glass windows. On the north wall, behind each stairway, is a limestone mullioned window of stained glass. Each window has 20 panes, and each pane is a design in colors. The designs are reproductions of the seals and coats of arms of the 13 Original Colonies, the colonizing countries, and the different seals adopted by Massachusetts.

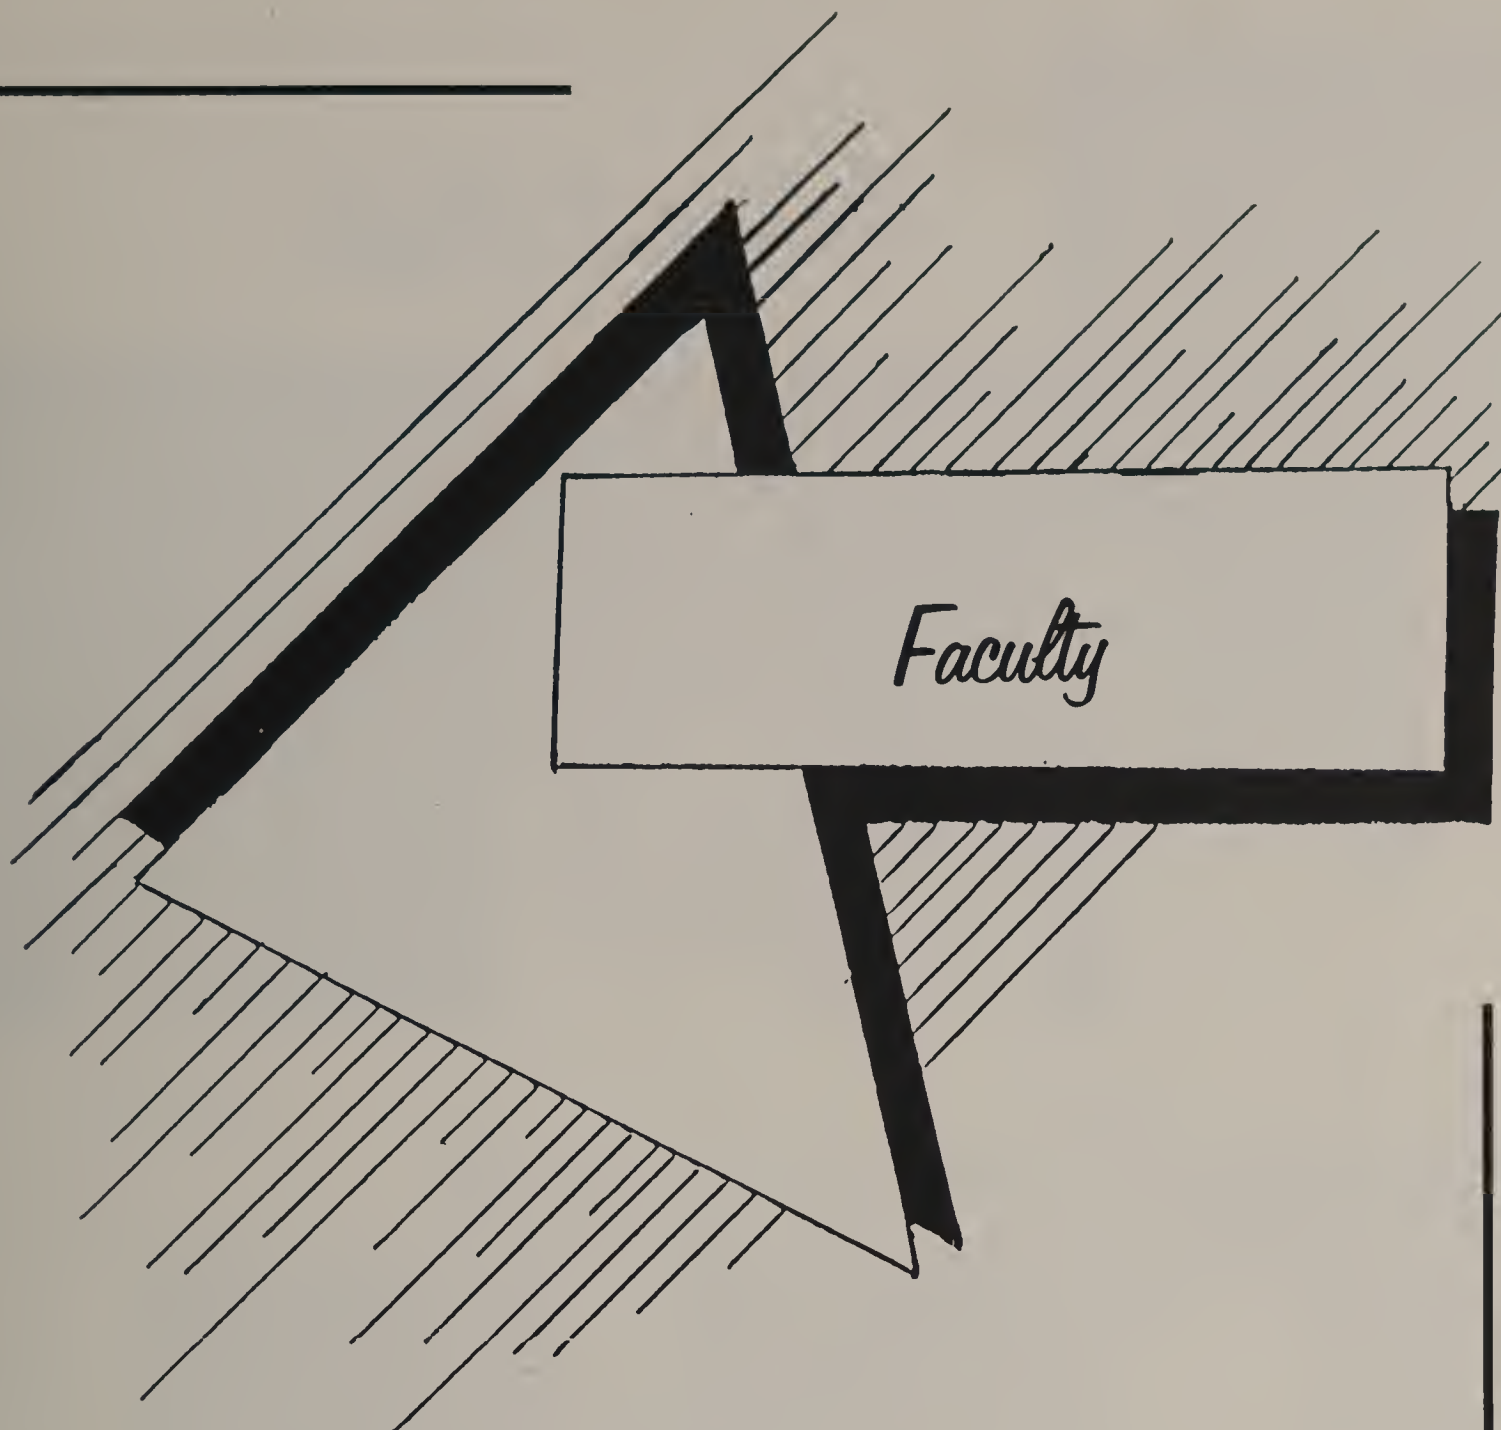

Not only is the inside of Fairhaven High School unique in structure, but the outside of the building is just as fascinating. It is surrounded by broad lawns, broken by granolithic walks entirely around the building and by driveways. The materials used to build the remarkable school were the best money could buy. The basement and first story are built of granite-ashlar, quarried from the Fort Phoenix ledge in Fairhaven. The second story forms limestone trimmings for the building, while limestone dormer windows and brick and limestone gables constitute the third floor. The roof is covered with green slate, and the flashings are of copper. There is a turret in the center of the main building 35 feet high, which contains an illuminated clock in copper. This elaborately designed clock tower stands high on top of the school and looks over all of Fairhaven and all of Henry Huttleston Rogers' beautiful buildings.

Today Fairhaven High School may not be an example of the most up-to-date school but remains dear to the hearts of the many alumni and friends who have generously donated both time and money over the many years to its restoration and maintenance. The appreciation and admiration for this old edifice is tremendous. The Class of '91 considers it a great privilege to have had its high school days sheltered by this magnificent structure. Henry Huttleston Rogers' silent beneficence and quiet generosity will always be in the heart of those who attended Fairhaven High School. He has left a mark on education that will inspire us to "Carpe Diem" and "Ad Astra" in all our future endeavors.

You always made some time to help,
When you had none to spare.
You'd spend most of your day working,
But could manage to be there.

And even when dejected,
You would try to help me out.
You gave me hope I needed,
And you never had a doubt.

Yes, always you were there for me,
In Winter, Spring, or Fall.
You taught me how to deal with life,
The challenge of it all.

We are a family, a family of heart,
One that no one could tear apart.

We are a family, a family of love,
One that no other could have so much of.

We are a family, a family of care,
One that feelings are always to be shared.

We are a family, a family of heart,
One that no one could ever tear apart.

Wishing wells remind me
Of the days within my past.
The happy dreams of childhood,
The ones that never last.

Dreams of perfect fairy tales,
Like marrying a prince.
Dreams that die as one grows older,
When life becomes more tense.

But do dreams die completely?
Can one ever tell?
Do dreams stay deep within us,
Or inside wishing wells?

We've Come So Far . . .

Where Do We Go From Here . . .

Where do we go from here —
Why should we even care.

A lifetime we spent preparing —
Four years we spent sharing.

Sharing memories good and bad —
Oh, so much fun we have had.

The road ahead may be tough —
With all its curves guaranteed to be rough.

These four years we will always hold dear —
For there are so many memories we share.

Now the time has come to say goodbye —
Please don't sit alone and cry.

This is a time to be happy —
We've won a new life; we have just begun.

Good luck and don't look back with regret —
As these four years of our life we will never forget!

— T. Mauricio

I, TRIA SYKES, leave Leyla Hellyar my "legs" and all the embarrassing moments that go with them; to Megan Bobola, my locker so she'll stop complaining; and to Danielle Doucette all the mischievous ideas that must have been passed down from our fathers.

I, LISA SYLVIA, leave my brother, Branden Sylvia all the fun and good times at Fairhaven High.

I, NELSON TAVARES, leave all my books and teachers to Queneth. I also leave her my gym clothes if she could ever get into the guy's locker room to get them!

I, RAYMOND TETREAULT, leave all my detentions, suspensions, and headaches that this school has given me.

I, SHARON TURNER, leave Keith Medeiros my place on Honor Society. I leave Jay Monteiro all the shaving cream he can handle! And to Danielle Doucette I leave all the good times that we have had.

I, JAYME VARAO, leave being the "Keeper" to Frank S., and the school parking lot to Mike S. to practice his eventual profession.

I, LISA VASSAL, leave Jessica Duval all my complaints of overcrowding in the locker room.

CLASS OF '91

I remember the start
Of my high school career.
The school was so big,
There was so much to fear.

As freshmen we found
That we still were so young.
As the start of our year
At F.H.S. had begun.

Homecoming passed,
And winter had come.
We had dances and sports —
It was all so much fun.

Together with friends
Both old ones and new.
We talked and we laughed
And we joked around, too.

Spring came and went
And summer was here.
I could hardly believe —
It had been a whole year.

So quickly time flew
And I learned right away.
To do all I could —
Make the most of each day.

The next year as sophomores
The time went so fast.
Before we knew it
Another year had passed.

Junior year brought
So much more than the past:
Junior Day, Junior Prom
Then Seniors — at last!

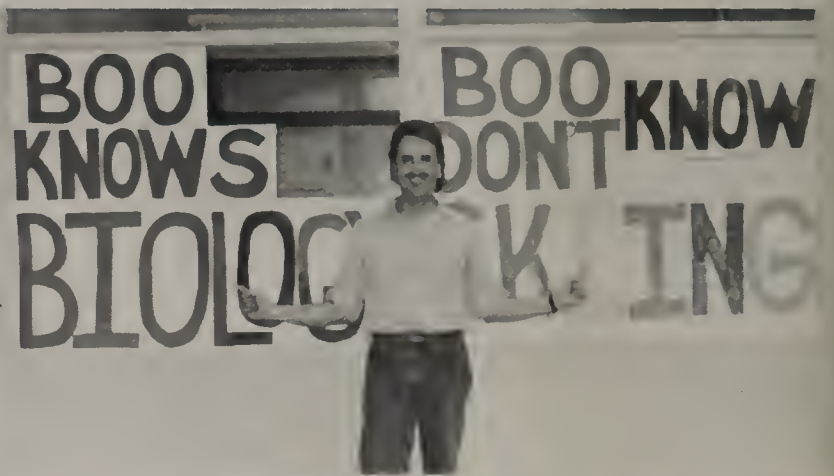

As seniors, together
Great memories we'll make.
And wherever we go,
These memories we'll take.

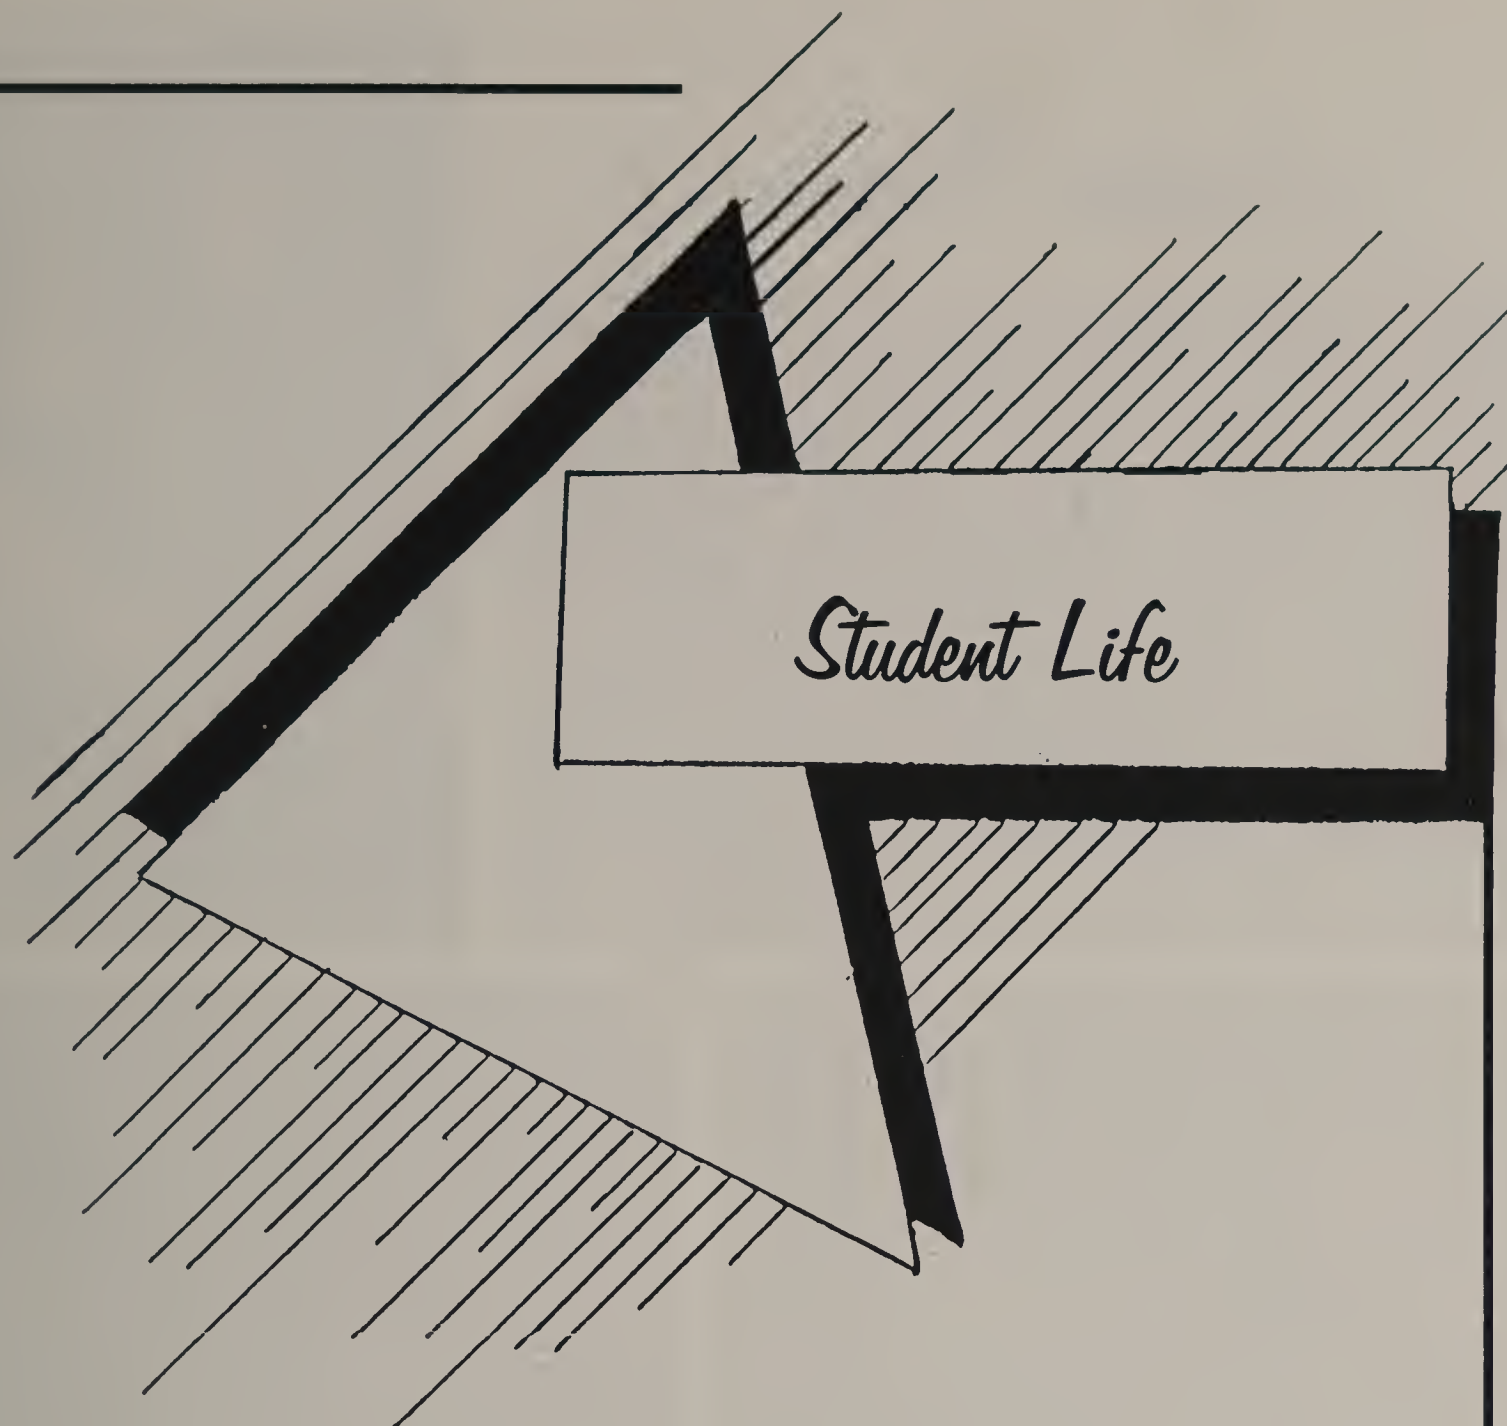

We've made such good friends
We've had so much fun.
And together we are —
The class of 1991!

— Robin L. Smith

Appreciate Life

To make the world a friendlier place,
One must show it a friendly face.

Show our laughter, show our pride,
Let the good feelings come out from inside.

Have tears of happiness, instead of sorrow,
Have fun each day, not worrying about tomorrow.

Look for good things the day brings for you,
And soon everyone else will be happy too.

Just keep a smile on your face, and your chin up high,
And you'll be happy as the day goes by.

Junior Prom

April 27, 1990

On Friday evening, the twenty-seventh of April, nineteen hundred and ninety, we, the class of 1991, held our Junior Prom at the Skipper Inn from seven o'clock until midnight. The theme song was "That's What Friends Are For." Music was provided by D.J. Jason Melo.

The king and queen's court was introduced by our Mistress of Ceremonies, Genevre Delano. The members of the court were chosen on the basis of school spirit and class involvement. The court consisted of: Marcy Andrade, Sarah Bouley, Nicole Coleman, Kerri Rasmussen, Robin Smith, Tria Sykes, Lisa Sylvia, Sharon Turner, Troy Bettencourt, Jeff DaSilva, Randy Early, Matt Goulet, Chris Karvonen, Jayme Varao and Jamie Mitcheson.

Chosen as Prince and Princess were Matt Goulet and Sarah Bouley.

Chosen as king and queen of our Junior Prom were Chris Karvonen and Marcy Andrade.

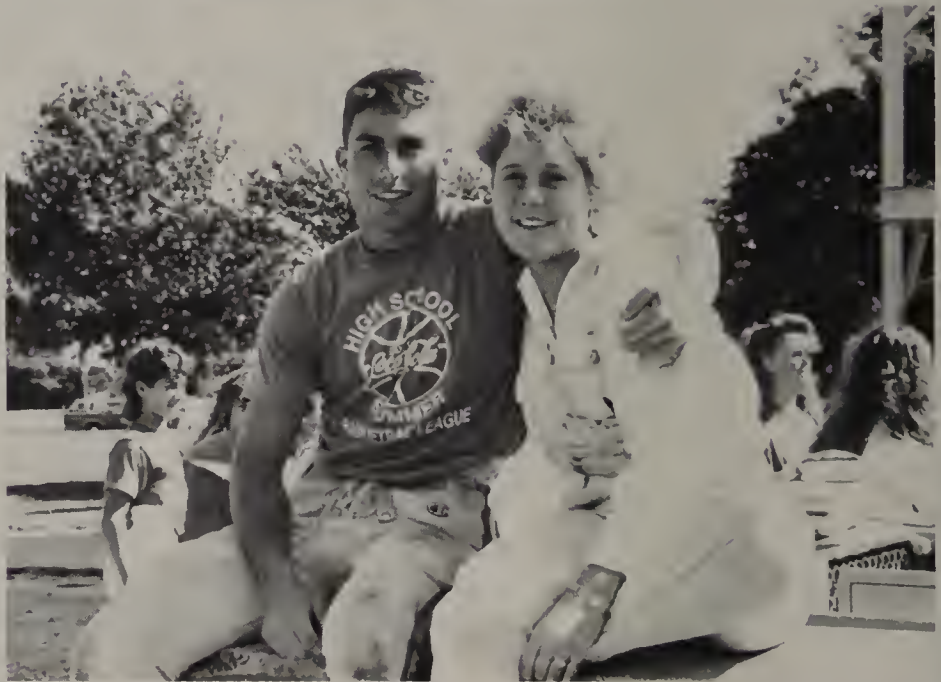

That's What Friends Are For . . .

And if I should ever go away,
Well then close your eyes and try
To feel the way we do today.
And then if you can remember —

Keep smiling, keep shining,
Knowing you can always count on me
For sure.
That's what friends are for.

Junior Day

June 1, 1990

On Friday, June 1, 1990, the Class of 1991 finally became seniors. The Junior Day ceremony traditionally began with the president of the Class of 1990, Jay Charbonneau, passing the mantle to our president, Chris Karvonen. After the awards were distributed, we all filed out of the auditorium to the stadium to take our official class picture. We were now ready to begin one of the best years of our lives!

Lean on me
When you're not strong
And I'll be your friend
I'll help you to carry on

Lean on me
For it won't be long
'Til I'm gonna need
Somebody to lean on

Foreign Exchange

"Nacho" Isla

Hi everyone! My name is Juan Ignacio Maurecio Isla Corter and I'm from Valdivia, Chile, South America. I am the A.F.S. exchange student at F.H.S. this year. Students have nicknamed me "Nacho," "Dorito," and "Taco." I would just like to thank all the people of F.H.S., my teachers, the students, and the workers for all the help they have given me, and just for being my friend.

I also want to thank my host family, the DaSilvas, and my American brothers and sisters, Wendy, Roy, Jenny, and especially Jeff. Thanks to Liv for the good and bad moments; her parents, Severin and Cindy Haines; Mrs. Kaner and Mrs. Leon; Mrs. Lefkowicz and her husband; and all the people of A.F.S. from my area for this great year in Fairhaven and in Massachusetts in general.

I was born in Valdivia, Chile. My city is a one-day drive south to Santiago, the capital of my country. In Chile I have a 16-year old brother Francisco, nicknamed Paco. My mother stays at home and cares for the house. My father Arturo is an Ob/Gyn doctor. I traveled to Peru and Argentina before coming to the United States.

I want to end by saying that color, religion, and language are not important. We are the same wherever we come from and we will go to the same place. For that reason, we have to open ourselves to all people. In that way we can build a world of peace. I am never going to forget my experiences or my friends from Fairhaven. They have become a part of me and I hope I have become a part of them.

Luis Gonzalez

My name is Luis Alfonso Gonzalez and I'm from Guatemala, Central America. The climate there is warm all year round. We have many beautiful lakes, mountains, and a large variety of animals. I live in Guatemala City with my younger two brothers Alvaro and Giorgio, and my sister Luisa Maria. My father works as the manager of a plantation and my mother is the bookkeeper. My family helps to run this plantation with my uncle. My grandmother owns the land.

I'm from the exchange program Call Intercambio run by Father Placido Reitemier. This year 44 students came to America and Canada. I wanted to come here to improve my English and learn American customs. I have had English since first grade. I am in my junior year at Liceo Javier. At school I am involved in track, basketball, and soccer.

I am staying with the Lawrence family. I have an American brother Steve and sister Christine. What I like most so far in the U.S.A. is Fairhaven High School, going to the Mall, and the girls. Before I leave for home, I hope to see snow, Boston, and New York.

Sharon Turner

This summer I spent in Belgium with the Van Aken family in the Northeast part of the country. The family consisted of Tily, who was an art teacher, Paul, who was in the military, and two small boys.

I met many people while I was there, both Belgians and Americans. I found Belgium to be a very friendly and exciting country. There were always many things to do. During these summer months I traveled extensively in Belgium. I also went to Holland, Germany, and Luxembourg. One of the last places I went to was Paris, France. It was a very memorable summer for me, and I hope to return soon.

Robin Smith

As an American Field Service summer Exchange Student, I spent the summer of 1989 in Frondheim, Norway, with the Dahl family. I have many fond memories of my A.F.S. experience. With my new sister Astrid and brothers Lars and Andreas, I enjoyed playing "football." During my stay I did a great deal of traveling and mountain climbing. Among my fondest memories of Norway was the crossing of a glacier on a mountain. I hope to return to Norway for the 1994 Winter Olympics.

Liv Haines

I spent from February, 1989, to January, 1990, in Fortaleza, Brazil with the Borges family. Fortaleza is capital of the state of Ceara. I lived in a condominium apartment on the "Praia do Futuro" (Beach of the Future) with my host parents, Moacir and Vania, and their 17 year-old daughter, Candice.

During my year abroad, I was able to explore South American culture and customs, to eat many exotic foods, and to learn to speak Portuguese. It was a very exciting and rewarding year for me.

Spirit Week

To kick off the fall sports season, F.H.S. had its first "Spirit Week" during the last week of September. Students were encouraged to participate in a week filled with outrageous outfits to show their school spirit.

Monday, September 24, was designated as "Mismatch Day." Tuesday was "Print Day." On Wednesday students signed each other's clothes for "Autograph Day." "Dress Up" for students and "Dress Down" for faculty was Thursday. On Friday students and faculty dressed for "Blue and White Day." Students participating in fall sports were encouraged to wear their uniforms. Many students and faculty participated in the F.H.S. first and look forward to Spirit Week '91.

Parents' Appreciation Day

On October 6, 1990, the parents of the football players, cheerleaders, and the band members participated in a traditional ceremony at half-time in appreciation of their hard work and efforts in supporting their children.

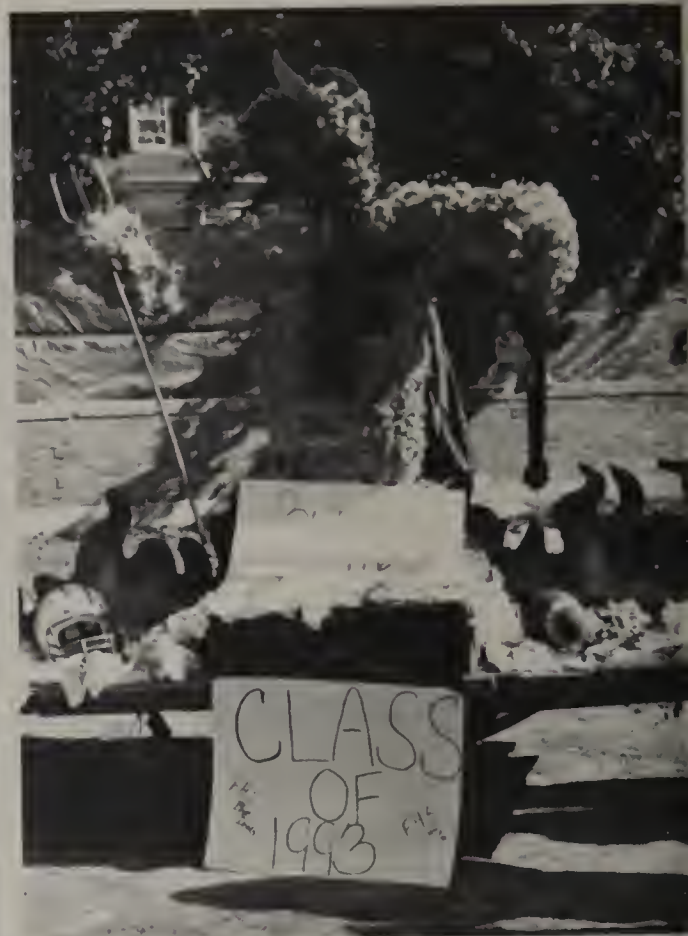

Each student walked down the football field with their parent or parents. As students, we would like to thank our parents for all their support.

Homecoming Day

On October 27, 1990, the Fairhaven High School student body celebrated a festive Homecoming Day. This year's theme for the Float Contest was "The Tradition of Fairhaven." Each class strived to put forth their best effort.

The Senior class made a miniaturized model of the football stadium and received an award of "Most Detailed." The Junior class float portrayed the cannons at Fort Phoenix and earned the prize of "Best Use of the Theme." The float designed by the Sophomore class represented the Blue Devil mascot and the rivalry between Fairhaven and the Dartmouth Indians. They received the award for "Most School Spirited." The Freshman float depicted the Blue Devil and the whaling tradition of this area. They received the "Most Colorful" award.

The overall winner was the Class of '91!! The day was completed with a smashing victory over Seekonk 32 to 8!

Homecoming Dance

On Saturday, November 17, 1990, the annual Cheerleaders' Homecoming Dance was held in the Larch Avenue Auditorium from 7 to 11 p.m. Court members included freshman: Becky Fernandes; Sophomores: Gillian Timmons and Lauren Lowney; Juniors: Danielle Brunelle, Danielle Doucette, and Sue Thomas; Seniors: Missy Aguiar, Gina Boucher, Kerri Rasmussen, and Tria Sykes.

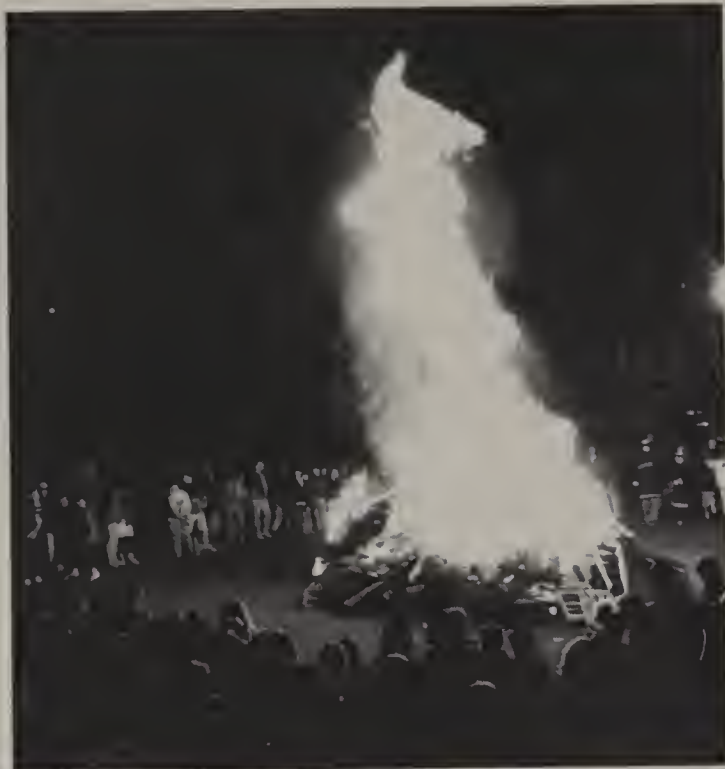

Danielle Doucette was crowned Lady-in-Waiting and Kerri Rasmussen was crowned as the 1990 Homecoming Queen. She and her date Derek Durgin danced to "Because I Love You" and then were joined by her Lady-in-Waiting Danielle Doucette and her date, Chris Butler. The remainder of the court and their dates then joined in.

November 17, 1990

Thanksgiving Rally

On the evening of November 21, 1990, we held our annual Thanksgiving Day rally. This year the cheerleaders wanted to do something different, something a little more entertaining for the crowd. And they did just that!

All the senior football players took part in an adventurous obstacle course, which included riding their home-assembled tricycles purchased by the cheerleaders. Tim Souza, otherwise known as "Tornado Tim" won the race and was awarded with whipped cream pies in his face from "Dare-Devil" Dennehy, "King Daddy" Kevin, "Road Hog" Randy, and "Jazzy Josh Flash."

The money raised from the senior football players, along with their tricycles, was donated to "Toys For Tots." Following the band's performance was a word from Coach Almeida and a crowd-involving cheer from the cheerleaders. Everyone then proceeded to gather around the roaring bonfire.

The rally and the bonfire proved to be a memorable night for all those involved.

The Gong Show

This year the Junior class held Fairhaven High's first Gong Show. The judges for this event had the power to "gong" the acts. The judges included: Mr. Philip Harding, Ms. Debra Bogalhas, and Mrs. Nancy Costa. Although there was plenty of opportunity for the judges to use the gong, the night proved to be full of talent. This year's 1st place winner was Steph Nye. Second place went to "My Girls" and "No Cheez Danish" placed 3rd. The students of F.H.S. await another Gong Show next year!

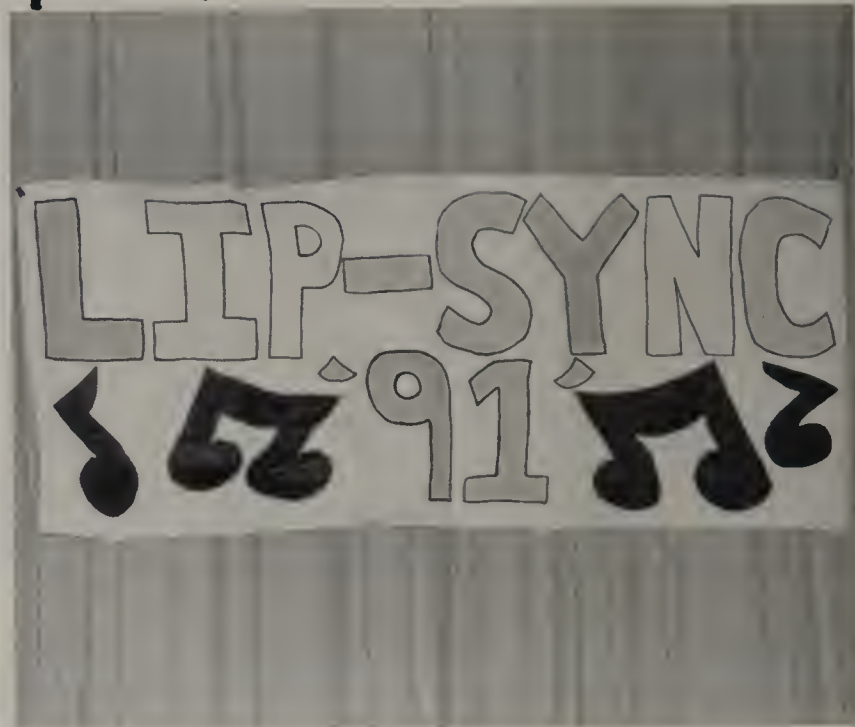

December 2, 1990

The Lip Sync

On February 3, 1991, the F.H.S. Spanish Club held its second annual Lip Sync Contest. As was the preceding year, this show was a huge success! The night began with the presentation of the judges: Mr. John Newburn, our Principal; Mrs. Gail Waltz, and Mrs. Maureen Young. The rest of the night was filled with laughter as 11 talented groups performed. Two special videos were also debuted: "We Are The World" sung by members of the F.H.S. faculty and staff, and "Where's The Party" sung by The Madonettes (Mrs. Carol Kaner, Mrs. Dorothy Garfield, and Mrs. Gail Evangelho) and The Cool Dudes (Mr. John Newburn, Mr. John Haaland, Mr. Dave Medeiros, and Mr. Rene Drouin.) Finally, the judges had the difficult task of picking a winner. Third place (\$50) was given to "Girls Just Wanna Have Fun"; second place (\$75) went to "Revenge of the Nerds." The grand prize (\$150) was awarded to "I Thought It Was Me" sung by Luke Cebula, Chris Rego, Neil Downing, Mike Cabral, and Matt Daniels. F.H.S. is looking forward to Lip Sync '92!

Activities

You determine your destiny,
By making choices and plans.
You ensure a bright future,
By doing whatever you can.

Set your goals high,
Try and try again.
Give one-hundred percent,
In everything you do.

Work toward your goals,
And your dreams will come true.

FRIENDS FOREVER

We are tied by emotions.
Connected by dreams
Reinforced by our hopes
Unified by extremes.

You are where the spirit rests,
Where tensions disappear
You are where I find myself —
When life is hard, you're near.

When someone lends a helping hand,
Finds ways in which to share
When someone makes you feel secure
By always being there.

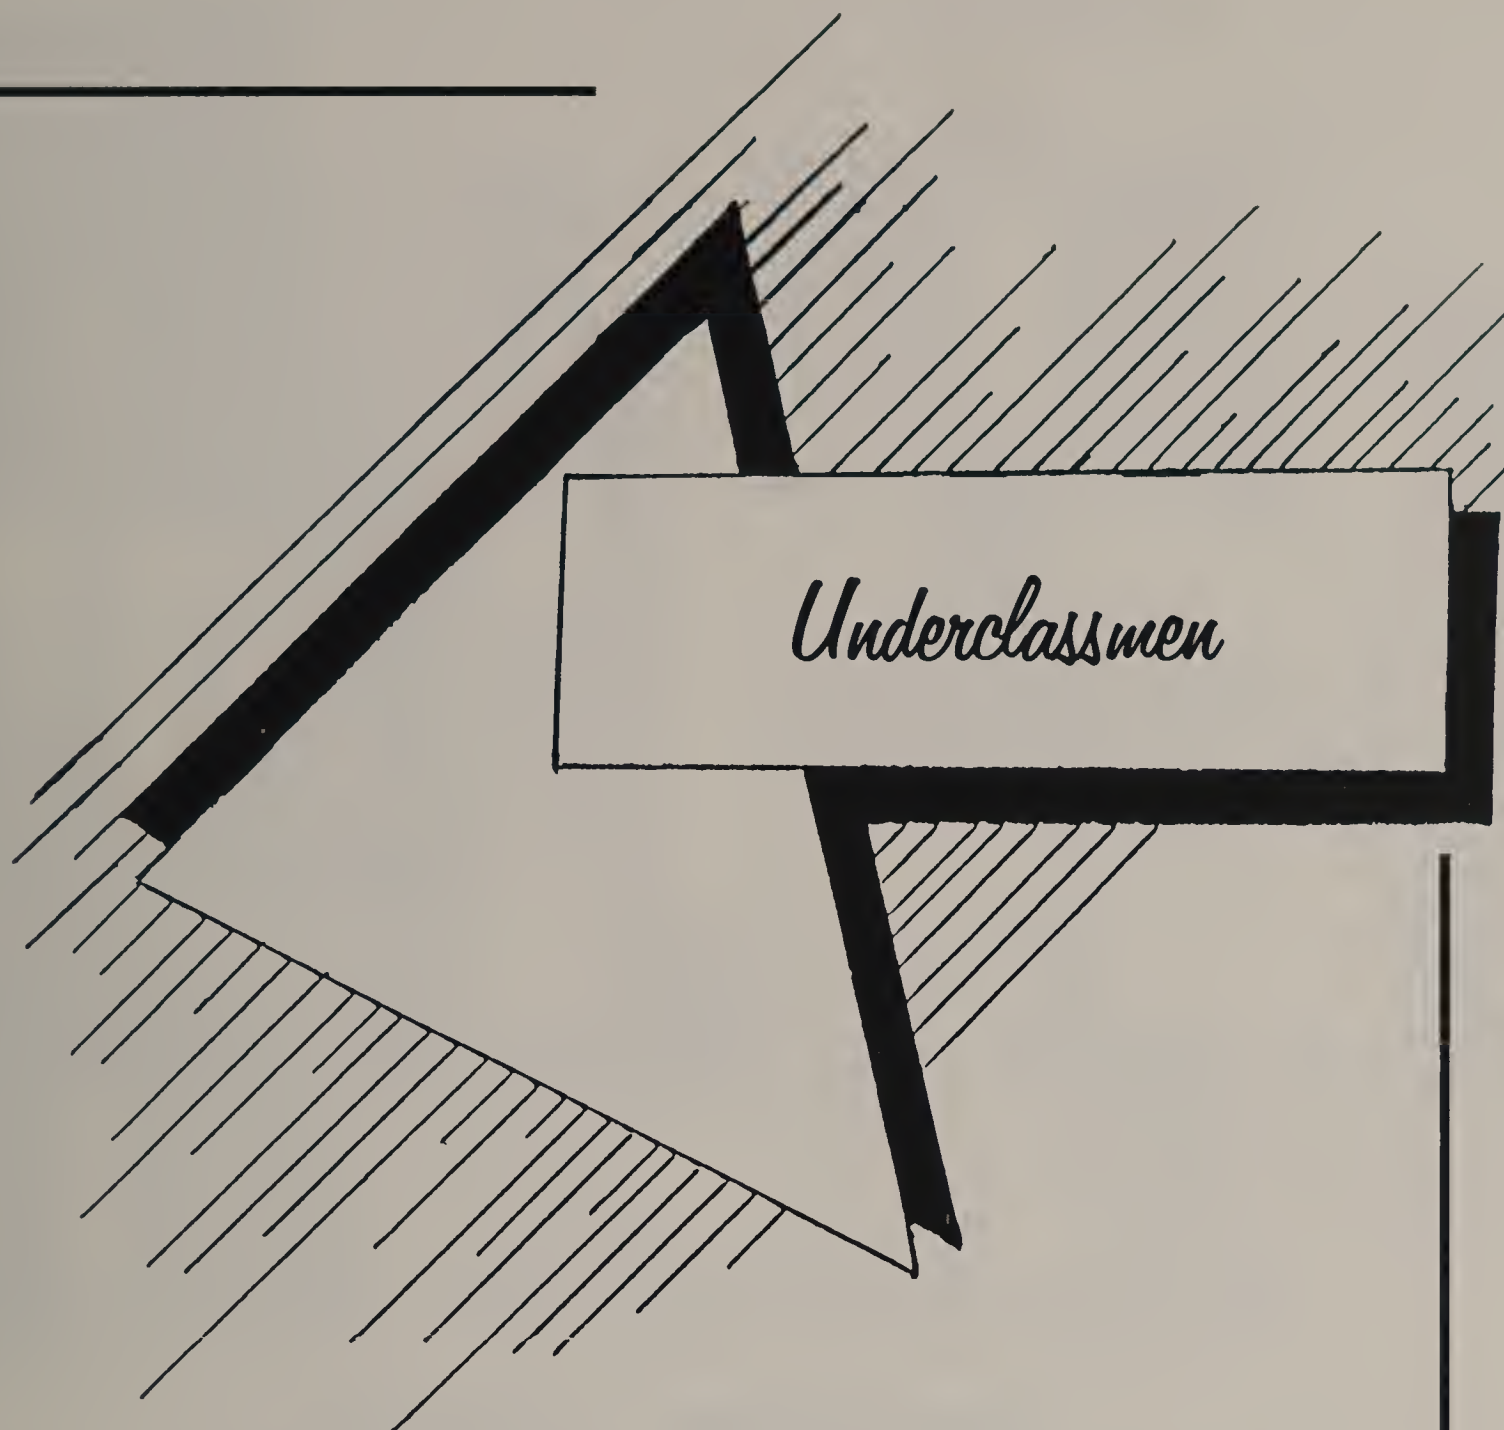

When miles come between us,
And our lives are drawn apart
Our thoughts remain together
Tugging softly at the heart.

But no matter how distant,
We will always endeavor
To sense the full meaning
Of friendship forever.

**WELCOME
TO THE
HOME
OF THE
FHS
DEVILS 1990-91**

Follow your heart to find your dreams,
Over the rainbow and under streams.

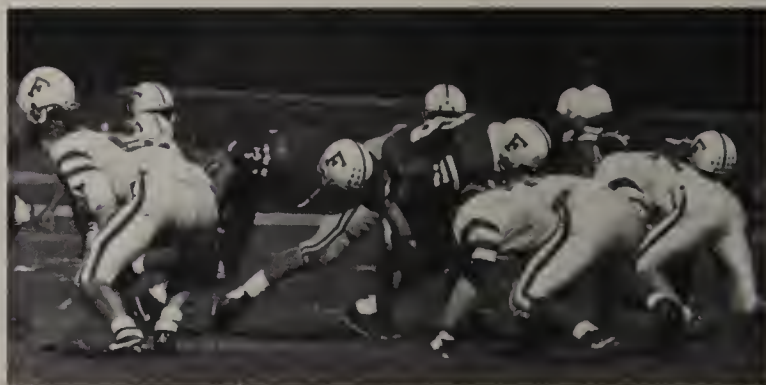

Flying high above the trees,
Or riding silently with the breeze.

No matter where you are,
Look above and find a star.

Never give up, never give in,
You can conquer, you can win

Football

It was another good season for the '90 Blue Devils, who finished at 7-3. A special thanks to the coaching staff who not only taught us to play the game but to learn the values and responsibility. In September we decided to dedicate our season to Senior Matt (Beau) Goulet, one of our co-captains who was unable to finish the season due to an injury.

Soccer

Well, on the first day of the season you would think that we would probably come in second. Day by day we came closer and closer. We started the year on the right foot with a win over Wareham. We thought that we could take Voc-Tech, but when we got there they were ready for us. They ended up winning the game on a penalty kick.

After that game we went undefeated. We were behind Voc in the league standings by one point until Voc lost to Case. That tied us with Case for first place in the S.C.C. The Case game was postponed due to bad weather until the last game of the year. This matchup was for the S.C.C. crown. Whoever won the match would go home in first place. We won the match by a score of 4 to 2. We had captured the crown!

Our team was ranked 3rd in the states. We were victorious in the first round and had to play Holbrook. After 3 regulation periods, the score was tied. We played 6 overtimes but were unable to break the tie. The game was called because of darkness and rescheduled for the next day. Fairhaven finally defeated Holbrook, 1-0! In the second round we lost to Medway 3-2 — our season was over. Four members of the team were named S.C.C. All-Stars.

Volleyball

The 1990 Volleyball season was lots of fun for all who participated. Although the Lady Blue Devils fell short of a state tournament berth, they have wonderful memories of their "pep talks," especially at Seekonk, and of an all-around enjoyable season.

Row 1: T. Sykes; Co-Captain R. Smith; Co-Captain L. Alferes; G. Delano; M. Martin; Coach M. Childs.

Row 2: D. Bender; L. Martin; K. Starvish; C. Becotte; C. Koczera

Field Hockey

The field hockey team had a successful season this year ending with a record of 6-5-5. Thanks to our Coach Crane, it was the best record in over five years. From this season we'll take with us some of our fondest memories . . . Go, Go, Go — Fast, Fast, Fast; UCONN camp; protests; the 2 pt. pet peeve; all those ties; the horny Brady Dance; stick measurements; tying Seekonk; the Apponequet rivalry; and many others. Seniors Nicky Coleman, Melissa Frates, Kerri Rasmussen, and Lisa Sylvia wish the best of luck to all their buddies on the team! Go get 'em next year guys!!

Row 1: Tri-Captain N. Coleman; Tri-Captain M. Frates; Tri-Captain K. Rasmussen; L. Sylvia
 Row 2: M. Touro; C. Morrow; D. Brunelle; J. Manna; A. Cebula
 Row 3: Coach Crane; L. Hanrahan; S. Audette; L. Wilson; K. Desroches; M. Almeida; H. Pomfret.

Row 1: C. Bivens; D. Lizotte; B. McLeod; I. Batista.
 Row 2: S. Vena; M. Cleveland; A. Donnelly; M. Aguiar; H. Robbie.
 Row 3: Coach Perry; C. Power; A. Souza; L. Trojak.

Cross Country

The 1990 Cross Country season was one of determination. The girls' team finished strongly with an overall record of 10-1 and defeated Apponequet for the first time! The boys' team, although small in number, finished their season well with a record of 6-5 and a show of promise for the seasons to come from the underclassmen. Co-Captains Julie Berard, Jessica Duval, and Dave Crabbe led their teams to a memorable winning season. Remember: I Screams . . . Texas vs. Arkansas . . . pizza at Mike's . . . Dean St. loops . . . detours . . . Spaz from Bourne . . . Seekonk guys . . . Pumpkin . . . Mr. Bender's pep talks . . . running in the rain . . . double sessions . . . neck veins.

ROW 1: M. Borges; M. Arruda; J. Berard; T. Pottel; S. Bowden; J. Duval; H. Moniz; M. J. Perry

Cheerleaders

This year the Varsity Cheerleaders were coached by Miss Kathie Charbonneau, a former Fairhaven High School cheerleader. They had the opportunity to cheer during two excellent seasons: football and basketball. Their main purpose is to support the F.H.S. teams and promote energy and enthusiasm within the school. The senior cheerleaders would like to wish next year's cheerleaders much success and remind them to never forget the "TWIG!"

ROW 1: S. Bruce; J. Simmons; K. Contois; N. Downing

ROW 1: L. Gordon; T. Almeida; K. Gifford; K. Gifford; E. Santos; K. Avila

 ROW 3: Co-Captain R. Smith; Co-Captain S. Bouley; Head Cheerleader L. Sylvia
 ABSENT: M. Andrade; M. Almeida

Boys' Basketball

The Boys' Basketball team enjoyed their finest season yet under third-year Coach Baldwin. After compiling a 16-4 overall record, hard work and determination earned this year's squad a share of the South Coast Conference Championship. This record was also good enough to insure a berth in the Division II State Tourney. Remember: Coach B.'s pep talks . . . "Don't sell yourself short." . . . "Coach, just one thing . . ." . . . big man camp . . . Lowell . . . "C'mon."

ROW 1: N. Pickup; Co-Captain E. Dennehy; Co-Captain A. Berger; K. St. Gelais
ROW 2: D. Joseph; Co-Captain E. Earley; Co-Captain C. Butler; B. Tyler; Co-Captain J. Varao; Coach R. Baldwin

ROW 2: F. Sniezek; P. Dolan; J. Alves; J. Fitts

Girls' Basketball

The Fairhaven High School girl's basketball team, under the direction of Head Coach Chuck Allaire and Assistant Coach Joanne Reedy, ended with a four-game winning streak to finish the season with a record of 8-11, drastically improving last year's record. This year the girls had a few close games — East Bridgewater, Wareham, Dighton-Rehoboth, and Old Rochester — they were all great victories. The loss of a junior varsity team due to the scarcity of participants was a major upset to the program. The four graduating seniors — Lisa Alferes, Melissa Frates, Tria Sykes, and Genevre Delano — thank those newcomers who remained with the program, encourage new players to join, and wish next year's team the best of luck.

ROW 1: K. Monteiro; J. Manna; D. Poulin; T. Medeiros; G. Delano; M. Frates
ROW 2: S. Mendonca; C. Moura; L. Wilson; N. Jacobsen; Captain L. Alferes; T. Sykes; Coach C. Allaire

Winter Track

The 1990-1991 Winter Track season was both exciting and memorable for all who participated. Led by Co-Captains Jamie Mitcheson and Ron Geary, the athletes were involved in the Christmas Relays, the Voc-Tech Invitational, and several Freshman-Sophomore meets. Both the boys' and girls' teams competed in 5 conference and 2 non-conference meets. Although the boys were less successful, the girls had an outstanding season, finishing with a winning record of 5-2. The girls ended with a bang by winning first place in the South Coast Conference Meet, an unprecedented victory under Coach Medeiros' direction.

As co-editors of the 1991 *Huttlestonian*, we'd like to thank everyone who contributed to the success of our yearbook. Many thanks go out to our Yearbook Staff — to those who sold ads, helped design and layout pages, cropped pictures, typed the many copy sheets, or just helped us make our deadlines. Thanks also to Mrs. Gail Waltz, our advisor, who put much time and effort into helping us organize our high school memories.

This yearbook is dedicated to our friends so that everyone will remember the value of true friendship. We wish everyone in the Class of '91 the best of luck in all their future endeavors.

YEARBOOK MEMORIES

At the end of the year,
When we've all said good-bye.
Shed all our tears,
Let out our sighs.

Promising we'll keep in touch,
Never thought school would mean this much.
The school year went by so fast,
Now I wish that it would last.

But now that it's happened,
Gone by all too soon.
I'm all alone,
In this dark, dreary room.

All those memories to keep in my mind,
Hoping that none of them will ever die.
Thinking of all the time it took,
To put all the memories in this yearbook.

LOCAL GIRLS LIGHT UP NEIGHBORHOOD!

Miss Kim Palmer & Miss Sharon Turner fanned flames of friendship by "leafing" a fiery memory John St. families and then singing, "We Didn't S The Fire." Kim, clad in longjohns, became the G Samaritan; Sharon, innocent of arson, realized her EXP would never again be "fired up." Four parents now lovingly thank them for brightening *all* of their days.
